Sip and Pak Sustainable Packaging

These clear dome bioplastic lids are made from plants, not oil and fit perfectly on our unbranded clear bowls ranging from 240ml to 960ml. They are a more cost-effective option than our branded range and provide a secure seal to keep your cold meals fresh. Note: For cold use only. PLA softens in higher temperatures. Store below 35Â degC and out of direct sunlight. Refer to ourÂ PLA Care Guide.
