Sip and Pak Sustainable Packaging

The 12oz (80mm) Kraft Green Line BioCup is made from premium paperboard with a plant-based lining. It features a kraft-look print and pairs with our small lids for a secure takeaway fit.

Sustainability

BioPak material	Aqueous
Material breakdown	FSC(TM) Paper and Birchwood - Forest Stewardship Council (FSC) certified wood and paper are sourced from responsibly managed forests - accounting for water use, energy, community support and biodiversity.
End of life	Kerbside recycling if clean and accepted locally
Infrastructure note	Clean, dry paper and wood can be kerbside recyclable where accepted. Food-soiled items are general waste.
Certifications	FSC (where applicable)
Carbon data	Renewable fibre from responsibly managed forests
