Sip and Pak Sustainable Packaging

Our 500ml unbranded clear bowls may look like standard plastic bowls, but they are made from Ingeo[®], a bioplastic made from plants, not oil. These unbranded bowls are a more cost effective alternative to our branded ranges. Certified industrially compostable to Australian (AS4736) and European (EN13432) standards, these bowls are an excellent choice for serving cold meals like salads.
