Sip and Pak Sustainable Packaging

Our 20oz white cold paper cups are made from FSC(TM) Mix certified paper and are lined with bioplastic made from plants, not oil. These disposable cold paper cups are certified industrially compostable to Australian and European standards (AS4736 & EN13432) and are perfect for cold or hot drinks. They feature an aesthetic white colour with no logo, making them ideal for custom branding.

### Ordering & logistics

|                          |              |
