Sip and Pak Sustainable Packaging

These 600ml clear wide unbranded bioplastic bowls may look like standard plastic bowls, but they are made from plants, not oil. These unbranded bowls are a more cost effective alternative to our branded ranges and are an excellent choice for serving cold meals like salads. Note: For cold use only. PLA softens in higher temperatures. Store below 35Â degC and out of direct sunlight. Refer to ourÂ PLA Care Guide.
