Sip and Pak Sustainable Packaging

Our white plant fibre coffee cup lids are made from rapidly renewable sugarcane pulp and certified home compostable (AS5810). These improved lids have a clip fit for effortless application and secure closure. With a lower profile and improved pulp strength, they are tougher against hot liquids, keeping your drinks steamy without turning soggy. Made with no added PFAS. This lid fits 250-350ml/ 6-12oz BioCups.

Ordering & logistics

Carton quantity	1000
Sleeves per carton	20
Units per sleeve	50
Carton Size LxWxH (cm)	34x44x37
