Sip and Pak Sustainable Packaging

These 960ml unbranded clear bioplastic bowls may look like standard plastic bowls, but they are made from plants, not oil, and are a more cost-effective alternative to our branded range. They are an excellent choice for serving cold meals like salads. Note: For cold use only. PLA softens in higher temperatures. Store below 35°C and out of direct sunlight. Refer to our PLA Care Guide.

Ordering & logistics

Carton quantity	500
Sleeves per carton	20
Units per sleeve	25
Carton Size LxWxH (cm)	62x51x35
Carton gross weight (kg)	11.400000
